To Whom and All it may concern:

Our family had the great pleasure of having one of our son's weddings at the Carson Valley Inn on June 11, 2011. This letter is to try and let everyone, including the owners know how absolutely perfect the whole event went off. First starting with the planning stage, Deanna Lucier was instrumental in getting the plans started. We can't even begin to say enough of what a great hostess she is. She introduced us to Carrie Nicolaisen in banquets and we were off and running.

Carrie did such a wonderful job with helping us to plan and put together the event but seemed to go above and beyond in making every aspect of it perfect. Her staff was fantastic, from Jimmy the bartender, to his bar back Jarrod. The servers at the reception were so attentive and right there to get anyone anything they could possibly need or want.

Then came the food. It was also wonderful, we had so many complements on it all. We must also mention the cake Tracy created was out of this world. Not only beautiful (Carrie has pictures) but the best chocolate with chocolate filling you could ever imagine.

We delivered a few dozen roses to Carrie and they transformed the room into a beautiful and comfortable cocktail atmosphere that we were looking for. We can truly and honestly say we couldn't have asked for anything more.

We had our ceremony on the balcony of suite number 238 and again Deanna and Carrie made that all possible.

We also need to mention what a great job the reservation staff did at make sure all our guests were accommodated.

Then to complete it all the bartenders, security and all the casino staff made the rest of our celebration that night one to remember. ("Thanks Joey and Stu".)

All said and done there are no words to express the appreciation for a job well done. CVI is and will always be our favorite casino hotel getaway spot.

THANK YOU ALL AGAIN, THE BALAY FAMILY
