Hi Carrie.

Everything was wonderful! The food was great, the room was great, your staff are wonderful and huge kudos to Carol who was such a delight to work with. Everyone had such a great time and it was the biggest fundraiser this group has ever had! We raised over \$30,000 for the animals of Douglas County!

The biggest thanks go to you and Amie for your wonderful support! I have worked with a lot of banquet facilities and none come close what you have done for our group. This group needed a big boost such as this as they were kind of getting burned out on events as they are a lot of work and they didn't really know what direction to go when I joined, but now they are already talking about what we will do next year. And Amie, you did an amazing fundraising job on top of everything else! Wow! And you still let us put you in jail!

Thank you both so much and a big thanks to everyone at CVI!

Gayle, Tondra, Alison, Joyce, Kathy, Chris, Laura, all DAWG members, and all the four-legged friends that need us
