PRE-EMPLOYMENT DRUG TESTING

Carson Valley Inn, Bodines, Sharkey's & SlotWorld have a vital interest in maintaining a safe, healthy and effective environment for our employees and guests. This environment is jeopardized by employees who use and abuse illegal drugs and alcohol.

Carson Valley Inn, Bodines, Sharkey's & SlotWorld conducts pre-employment drug testing to detect the use of illegal drugs during the approximate **previous 90-day period**. The test is given as soon as possible after an offer of employment has been made. Any attempt to falsify or interfere with the test, including adding adulterants to urine or diluting urine, will lead to the withdrawal of an offer of employment. Moreover, Carson Valley Inn, Bodines, Sharkey's & SlotWorld may deem a diluted urine sample, or urine containing any adulterant substance to be a positive drug testing result.

The applicant may not work until a negative test result is obtained.

The presence of illegal drugs in an applicant in any detectable amount, or inability or refusal to provide a suitable drug test sample, will result in a withdrawal of any offer of employment.

We believe this policy will result in better service to our guests and a more pleasant and safe workplace for all employees. Thank you for your cooperation.
